**Order of the Minister of Economy and Sustainable Development of Georgia №1-
1/57
February 14, 2018
Tbilisi**

**On amendments to the Electricity (Capacity) Market Rules approved by the
Order №77 of 30 August, 2006 of the Minister of Energy of Georgia**

On the basis of paragraph 4 of Article 20 of the Law of Georgia on Normative Acts, I am ordering:

Article 1

The following amendments should be included to the Electricity (Capacity) Market Rules approved by the Order №77 of 30 August, 2006 of the Minister of Energy of Georgia (www.matsne.gov.ge, 117.31 / 08/2006, registration code: 300.300 .000.22.025.009.162)

1. Subparagraph "b.b" of paragraph 1 of article 14 shall be formulated as follows:

“b.b From May 1 till September 1 the tariff should be commensurate with the fixed tariff of the regulating power plant that has the lowest generation tariff set by the Commission, but not more than the upper limit of the tariff set by the Commission for the appropriate qualified enterprise.”;

2. The subparagraph "j" shall be added to paragraph 1 of article 14 as follows:

“j. in case of the deregulated Qualified Enterprise, except for the cases provided for in subparagraphs "f" and "h" of this article:

j.a) From September 1 till May 1 of each calendar year – at the upper limit of the hydro power plant tariff that has the highest tariff set by the Commission;

j.b) From September 1 till May 1 of each calendar year - at the fixed tariff of the regulatory power plant that has the lowest tariff set by the Commission.”

Article 2

This order shall enter into force on January 1, 2018.

**Minister of Economy and Sustainable
Development of Georgia**

Dimitri Kumsishvili
